

Dom Tremblay Chablis Vieilles Vignes

THE FACTS

COUNTRY: France

REGION: Burgundy

THE STORY

G rard Tremblay is the 5th generation owner of this domaine in Chablis. Under his ownership, the property has grown from 30 acres to 100 acres, 30 acres being first cru and Grand Cru sites. Gerard is very passionate and a purist. He uses "Lutte raisonn e" sustainable viticulture and takes a lot of care in plowing to preserve the Terroir. This gives the Chardonnay a special, vibrant personality due to the sub soil (Kimmeridgian limestone/fossilized shells). Gerard's son, Vincent, is now beginning to take over winemaking responsibilities.

In 1990, they built a new winery and underground barrel cellar. The use of oak is well thought-out. G rard does not like a dominant oak flavor, but recognizes that oak is needed to bring out the secondary aromas of the terroir.
