Spottswoode
Lyndenhurst Cabernet Sauvignon

The Facts

COUNTRY: USA - CA
REGION: Napa County
APPELLATION: Napa Valley

The Story

Established in 1882, Spottswoode Estate is distinguished by the pre-Prohibition Victorian home depicted on the wine label. Spottswoode was christened by Mrs. Albert Spotts in 1910 and later acquired by Mary and Jack Novak in 1972. Mary released Spottswoode's first Cabernet Sauvignon in 1982, exactly one hundred years after the estate's founding. Today, Mary's daughter Beth Novak Milliken manages the winery, and daughter Lindy Novak serves as the winery's Marketing Ambassador. Committed to producing wines with integrity that faithfully reflect their grape origins, Spottswoode wines are especially known for their refined elegance, balance, and classic structure.
