Greenock Creek
Jaensch Block Shiraz

The Facts

COUNTRY: Australia
REGION: South Australia
APPELLATION: Barossa Valley
CEPAGE: 100% Shiraz
WINEMAKING: Free-run juice, along with pressings are then gravity feed into 5000L underground tank to be combined with the drained off juice. This is then transferred to SS tanks for 2 days, to settle the heavy lees. Following this, the wine is sent to barrel to be matured 'Section 1' was matured in 25% new and 75% seasoned French oak, and 'Section 2' in 20% new American oak and 80% seasoned French oak for 20 months. The wine was then bottled, unfiltered and unfined.
AGING: 20 months in French & American oak

The Story

The Barossa Valley is a special place. Ripened under the South Australian sun, the pure, powerful, succulent expression of our grapes – especially Shiraz – is renowned the world over. Established in 1984, the mission of Greenock Creek is to dig deeper into that place and unearth the alluring mysteries of diverse sites across the Barossa's western edge.

We grow exclusively single-vineyard wines, priding ourselves on faithful expressions of the sub regions. Parish by parish, we see differences: Plush, rich, silky Marananga with its underlying power; the earthy, gamey leanings of Seppeltsfield and its rustic, gravelly tannins that wrap around the lush fruit; and the aromatic flowers, fruit and sweet spices that float above the flinty bass notes of Moppa.
