

# Ermisch Pinot Noir Ribbon Ridge Willamette

## THE FACTS

REGION: Willamette Valley

## THE STORY

With their own Argentine winery stronger than ever and 20 harvests under their belt, they decided to take their love for cool climate Pinot Noir to the logical next step making some here in our home state of Oregon. Through the years, industry veterans, Robert Brittan & Steve Ryan have acted as their consulting winemakers, and everyone in their small company has lent a hand in this project, from the sorting table, to cellar work, to bottling. They've always preferred complexity and character over power, and the Willamette Valley vineyard sources they're utilizing reflect that with each passing year.
