

Regis Forey Nuits St Georges

THE FACTS

COUNTRY: France

REGION: Burgundy

APPELLATION: Nuits-Saint-Georges

THE STORY

This small but outstanding domaine was created in 1840 by the great-grandfather of Régis Forey, the current propriétaire. The 1987 vintage marked the entry of Régis into the domaine on a full-time basis and he became fully responsible for all aspects of production and winemaking with the 1989 vintage. In contrast to the wines of his father, who produced seductive wines of finesse and delicacy, Régis expresses a more masculine personality as his wines show exceptional concentration and depth. The primary family holdings are in Nuits Saint Georges, Vosne-Romanée and Flagey-Echezeaux. With the recent additions, the domaine extends its reach into the villages of Vougeot and Morey Saint Denis, as well.
