

Collosorbo Giovanna Ciacci Sant'Antimo Rosso DOC

THE FACTS

COUNTRY: Italy
REGION: Tuscany
APPELLATION: Sant'Antimo

THE STORY

The winery has deep roots in the past which are evident in the atmosphere that you breathe in the vineyards, cellar and villa. Most of the work is done by hand in the vineyards and the smell of wine and wood blend harmoniously in the cellar.

These roots are also evident in the centuries-old villa which evokes memories and emotions of a different century.
