THE STORY

Passion and tradition, research and innovation, handed down from father to son for over 152 years: this is Carpena Malvolti, the first company to submit quality Prosecco to the sparkling process, and a brand that is a leader in this field both in Italy and abroad. It was founded in 1868 by Antonio Carpena, who dreamt to produce a bubbly wine with the grapes harvested from the hills of Conegliano and Valdobbiadene. This dream has become a mission: producing high quality sparkling wine at each grape harvest. A dream that is still coming true today, day after day.
