

# Fratelli Brovia Dolcetto d'Alba Vignavillej

## THE FACTS

COUNTRY: Italy  
REGION: Piedmont  
APPELLATION: Alba

## THE STORY

The Brovia family established themselves as winegrowers in the hamlet of Castignlione Falletto in 1863, amassing over time an enviable collection of vineyards in some of the zone's greatest crus, as well as a sizable holding in the cru Brea in Serralunga d'Alba. Rosenthal Wine Merchant has imported the family's gorgeously traditional Barolo since the 1978 vintage - first with Giacinto Brovia, who revived viticulture here in 1953, and today with his daughter Elena and her formidably talented husband Alex Sanchez.
