

Dom La Manarine CdP 'Pied de Baud'

THE FACTS

COUNTRY: France

REGION: Rhone

APPELLATION: Chateauneuf-du-Pape

THE STORY

Domaine la Manarine was created by Gilles Gasq in April 2001. The winery and majority of his vineyards are located within the commune of Travaillan, on a splendid plateau northeast of Orange in the southern Rhone. Gilles is a talented vigneron who has honed his skills working as an assistant to Paul Jeune, the proprietor of Domaine Monpertuis in Chateauneuf-du-Pape.

PHILOSOPHY: Domaine La Manarine practices organic viticulture. Work in the cellar is minimal with little intervention. Fermentations are left to start with indigenous yeasts, with no fining and only a light filtration is utilized if needed.
