## THE STORY

Firriato is in the province of Trapani, one of the most magical parts of the wine region of Sicily, where centuries of vine growing have given this area a natural ability to produce wines with a strong sense of identity. Firriato's strength lies in the consistent choices it has made. Especially those that focus on nature, biodiversity, protecting the landscape and innovation.

## THE SELLING POINTS

PAIRINGS: as an aperitif, risotto with seafood or cheese.
