THE STORY

Founded in 1893, Cantina Terlano has grown into one of the leading wine growers' cooperatives in the Alto Adige region of northeastern Italy. Located in the Dolomite Mountains in the foothills of the Alps, Terlano's distinctive location and extraordinary terroir are key to the development of their stunning, world-renowned wines. With a current membership of 143 growers farming a total area of 165 hectares, Terlano insures the highest standards of quality by compensating growers for the quality of their grapes not the quantity.
