

# Moshin Vineyards Estate Grown Russian River Pinot Noir

## THE FACTS

COUNTRY: USA - CA

REGION: Sonoma County

APPELLATION: Russian River Valley

## THE STORY

Craft winemaking begins with sourcing excellent quality grapes with the goal of creating an authentic and expressive wine. Hand harvesting, native yeast fermentation, minimal intervention, gentle punch-downs, quality barrels for aging and gravity to move delicate wines help accomplish this goal.

Winemaker Rick Moshin has been producing natural, terroir-driven wines in the Russian River Valley since 1989. He sustainably farms his vineyards and with the help of a dedicated winemaking team, gently makes small-lot, premium wines in his gravity-flow winery in Sonoma.
