## THE STORY

For over five centuries, Maison Antech has tamed the magical terroir of Limoux to make fine sparkling wines.

The secret of their character lies in the combination of Limoux's three terroirs, which form the backbone of the cuvées: freshness from the Pyrenees, vinousness from the ocean, and roundness from the Mediterranean. From these terroirs, Mauzac and other grapes are cultivated, each bringing their own complexity and purity to the wines. This Cuvee, named after Françoise, daughter of the family and a member of the sixth generation celebrates her strong character and the part she plays in guarding her heritage and shaping their future.
