THE STORY

Les Parcellaires de Saulx is a tailor-made wine house located in Meursault which was created in September 2017 on the foundations of a centuries-old establishment located in the same premises.

It enjoys a privileged location with an outstanding view over the vineyards of Meursault and Puligny-Montrachet, located as it is at the outer edge of the first of these villages without being overlooked.

In addition it can be justifiably proud of its beautiful and extensive historic cellars of more than 1500 square metres, which ensure that wines are produced, aged and stored in perfect conditions.

We sell around 30 appellations produced on the most prestigious terroirs of Burgundy, from Côte de Beaune to Côte de Nuits, from village appellations to grands crus.
