THE STORY

Oddbird's success lies in its commitment to quality. The company collaborates with winemakers who respect tradition and nature. The wines are matured for up to 12 months and then gently liberated from alcohol using a unique method that preserves the wine's natural flavors and aromas. This meticulous process ensures the end product is not just an alternative to alcoholic wines but a premium beverage in its own right.

PHILOSOPHY: Oddbird's vision extends beyond creating non-alcoholic beverages. Oddbird seeks to influence social norms and foster a more inclusive drinking culture. By positioning Oddbird as a premium choice to challenge the notion that non-drinkers are outliers, this inclusive approach is at the heart of the company's mission, making Oddbird a pioneer in the alcohol-free beverage industry.
