

Saint Viviana Non-Alcoholic Sauvignon Blanc

THE FACTS

COUNTRY: USA - WA

REGION: Columbia Valley - Washington

APPELLATION: Columbia Valley - Washington

ALCOHOL BY VOLUME: 0.5%

THE STORY

Saint Viviana Non-Alcoholic Wines are the result of a a year-long process including some of the finest winemakers in the US, a master sommelier, and lots and lots of tasting. Saint Viviana starts with fantastic wine, so there's not much to do after the alcohol is removed. The more natural the flavor (and fewer additives), the better. Our panel of winemakers and sommeliers taste dozens of wines from all over until they find the winners. Saint Viviana is the result, and we think you'll love them.
