THE STORY

La Rioja Alta, S.A. was founded on July 10, 1890, in the Barrio de la Estación of Haro, by five families united by their passion for making high-quality wines in Rioja. From its beginnings, the winery focused on producing elegant wines with great aging potential, combining the best of tradition with careful winemaking.

Over the years, La Rioja Alta, S.A. has remained true to its origins, maintaining traditional methods such as in-house barrel-making, manual racking, and long aging in both barrel and bottle while also continually investing in innovation and quality control to adapt to modern demands.

Today, it is a benchmark in the Spanish wine world, known for its iconic wines—such as Gran Reserva 890 and Gran Reserva 904—and for its commitment to excellence.
