CEPAGE: 55% Cabernet Sauvignon, 45% Tempranillo

ALCOHOL BY VOLUME: 14.0%

THE STORY

The history of Raimat dates back to 1914, when Manuel Raventós i Domènech acquired some arid and infertile land in a unique setting, to transform it into what today consists of 3,000 hectares of 100% certified organic vineyards. Raimat is the expression of the wines of Lleida, a region recognized for the quality of its fruit, where the continentality of its climate allows the grapes from this estate to produce intense and flavorful wines. The winery has been a pioneer in cultivation and enological technologies, with a strong commitment to sustainable viticulture and respect for the land and the environment.

Sustainable winery for over 100 years
